FREQUENTLY ASKED QUESTIONS

WHAT IS THE ROOM TAX AND WHY WAS IT IMPLEMENTED?

In 2006, the Door County Strategic Marketing Coalition commissioned a study to determine alternatives and options to offset the decline in tourism in Door County. The consultant's report recommended a substantial increase in the funding for marketing Door County as a tourism destination and recommended utilizing Room Tax to do so. The following municipalities adopted ordinances imposing a 5.5% tax on transient lodging. The room tax is authorized to be collected under Section §66.0615 of the Wisconsin State Statutes. The member municipalities are as follows:

|------------------------|-----------------------|
| Town of Baileys Harbor | Town of Jacksonport |

WHAT IS THE FUNCTION OF THE DOOR COUNTY TOURISM ZONE COMMISSION?

The Tourism Zone Commission is a government entity created by the Intergovernmental Agreement (State Statutes Section §66.0615) and must comply with the laws of the State affecting public entities including open meetings and open records.

The Commission is responsible for issuing the lodging permits, collecting the room tax, preparing and delivering all the required reports, contracting with a tourism entity (Door County Visitor Bureau) for the purpose of marketing the destination, approving the marketing plan and reviewing the performance measurements. The purpose of the Commission is to insure that the room tax funds collected increase tourism in member municipalities as measured by increased stays in lodging establishments.

WHERE DO THE ROOM TAX DOLLARS GO?

Room tax is a pass through tax. The tax is charged directly to the lodger and remitted by the lodging provider. All room tax dollars are paid to the Tourism Zone Commission. The intergovernmental agreement that was part of the adoption of the tax split the total tax into the following monthly distribution of the room tax collections:

- 30% to the municipality where the lodging facility is located
- 66% to be distributed to the contracted tourism entity
- 4% to be used for administrative expenses.

The Commission has contracted with the Door County Visitor Bureau to develop and undertake a variety of marketing efforts designed to increase the number of overnight stays in lodging establishments in member municipalities.

HOW DOES THIS DOOR COUNTY TOURISM ZONE COMMISSION OPERATE?

City of Sturgeon Bay Tourist Rooming House Ordinance

If you are permitting a property in the City of Sturgeon Bay, there is now a Tourist Rooming House Ordinance. The permit, FAQ'S, and Ordinance are available on the DCTZC website for you to familiarize yourself with the new requirements. The Community Development Department oversees the permitting process; you can contact Ryan Kernosky, the City Zoning Administrator, at 920-746-2010 M-F, 8-4:30 or by emailing him at : rker-nosky@sturgeonbaywi.org.

The Commission has retained the services of the Kerber Rose CPA firm to collect all room tax payments. The office of the DCTZC issues permits and tracks compliance. The accounting firm handles all of the records to assist in maintaining the confidentiality of the reports.

The Commission has its financial transactions audited at the end of each fiscal year. The Commission meets regularly to review general collection information and performance reports from the Door County Visitor Bureau.

The Commission reports regularly to its member municipalities on the activities undertaken, funds expended, and the status of its goals. With the exception of any closed session on any given agenda, Commission meetings are open to the public; dates and meeting places of upcoming meetings are posted on the DCTZC website.

DOES MY PROPERTY NEED TO BE PERMITTED?

To be in compliance with the room tax ordinances, you must be permitted and collect room tax if your property conforms to the definition of transient lodging.

"Hotel or motel means a building, group of buildings or structure in which the public may obtain accommodations for a monetary consideration, including, without limitation, such establishments as inns, motels, hotels, tourist homes, private homes, bed and breakfast establishments, rooming houses, condominiums, summer camps, apartment homes, resort lodges and cabins, commercial indoor lodging facilities, campgrounds with A-frames, cabins or trailers and any other building or group of buildings available to the public" (Door County Tourism Zone Commission Agreement)

The room tax must be collected on any transient rental, which is defined as any rental term less than thirty (30) days. Please note that you are responsible for room tax payments as of the date you began renting, even if you were not permitted or collecting the tax.

The State of Wisconsin, the local ordinances and the WDOR all agree: You must be permitted and collect room tax for any rental under thirty (30) days. The same rules apply whether you are in business as an inn, hotel or a home that just rents a few times a year.

What is the Definition of a Monthly Rental?

A monthly rental (exempt) means a calendar month or 30 days, whichever is less, counting the first day of the rental and not counting the last (departure) day of rental.

WHEN DOES MY PROPERTY NEED TO BE PERMITTED?

Your property needs to be permitted prior to the commencement of business. The DCTZC considers the commencement of business to be any and all advertising, social media, business associations or word of mouth advertising of your property.

WHAT HAPPENS IF I DON'T PERMIT MY PROPERTY?

It is in your best interest to permit your property as soon as possible. You are responsible for room tax payments as of the date you began renting, even if you were not permitted or collecting the tax.

The ordinance allows for:

"Penalty for Non-compliance: Any party in violation of the ORDINANCE FOR THE COLLECTION OF TAX ON OVER-NIGHT LODGING by failing to obtain and maintain a lodging permit, when such permit is required, shall be subject to a forfeiture of not less than twenty dollars (\$20.00) nor more than one hundred dollars (\$100.00) for each violation. Each room or unit separately rented or offered for rent and each day of such rental or offer for rental of such unit shall be a separate violation. In addition, injunctive relief is hereby authorized to discontinue violation of the aforementioned Ordinance. Any party deemed to have violated the Ordinance shall be obligated to pay the costs of prosecution, in addition to actual attorney fees expended in the enforcement of the Ordinance." (Door County Tourism Zone Commission Agreement)

MONTHLY ROOM TAX REPORTING

- | | | |
|---|---|---|
| <p>1) GETTING READY TO REPORT: If you include taxes in the total price that you offer to your lodgers, be sure to take your State Sales Tax and Room Tax off your lodging sales so that you don't pay tax on tax. Enter your net lodging sales.</p> <p>2) DUE DATES: The reports are due in our offices by the last day of the month following the report month (August 2016 room tax is due in office by September 30th, 2016). You can report online or by mail. If sending by mail, you may want the Post Master to date stamp your envelope.</p> <p>3) LATE REPORTING & PAYMENTS: Delinquent returns are subject to a \$25 late fee plus 1% interest that continues to accrue until the tax is paid. After 30 days' delinquency, an additional twenty-five percent (25%) of the room tax due or five thousand dollars (\$5,000.00) whichever is less, of the tax is due and owing, and other fees (e.g., legal fees incurred) may be assessed. In addition, a \$35 fee will be charged for checks returned as NSF. If noncompliance continues and the attorney or collection agency must follow up, the permit</p> | <p>holder is subject to legal fees.</p> <p>4) Months can not be combined for reporting. Each month must be reported separately.</p> <p>5) The criteria for a permit and regular reporting are offering rental, not actual rentals. <i>Any exchange</i> of that has monetary value is considered by the State of Wisconsin and the Tourism Zone Commission to be a lodging rental, even if rented only to friends and relatives.</p> <p>6) DEPOSITS: Advance deposits should not be reported until the rental period, and then included as part of the total rental. Until then, it is simply a payment to hold the rental period. If a fee is withheld, or the advance payments not refunded due to cancellation, there has been no lodging service. By Sales Tax rules it would not be subject to sales tax, and Room Tax would follow the same rule.</p> <p>7) EARLY REPORTING: Do not report early. You may end up with cancellations or additional rentals.</p> <p>9) RENTAL CARRIES OVER INTO ANOTHER MONTH: If your rental is split between two months add up the number of rental days and divide it by the total lodging sales. This will give you your daily rate for the</p> | <p>rental. Then multiply the daily rate times the number of days that fall into each month. You now have your total sales for each month. DO NOT COMBINE RENTALS FROM MULTIPLE MONTHS.</p> <p>10) WHAT MONTHS DO I REPORT: When you submitted your lodging permit application, for your property you indicated the months you are available for rent. These are the only months that you will need to file a report. If you do not have any rentals in a month you indicated you would be open, a report is still required showing \$0 income. If you have an extra rental outside the months you indicated you were renting, please file your report as usual. You may hear from the DCTZC office to ask if the rental months should be changed on your permit.</p> <p>11) DOES THE COMMISSION NEED TO KNOW IF? You have 14 days from a qualifying event to update information on your permit. A "qualifying event" would be a change in rental agent or contact person, addition or reduction in the number of unit's available, change in the months the business is open, sale of the business, or the cessation of rental activity. The form is available online to fill out and report a change to your permit.</p> |
|---|---|---|

HOW DO I KNOW MY INFORMATION WILL BE KEPT CONFIDENTIAL?

First, the data we are asking you to provide in terms of occupancy rates and lodging sales is essential to know if the marketing efforts of the Door County Visitor Bureau are working. **We will keep your information confidential.** State Statute Section §66.0615(3) mandates the confidentiality of all room tax information and provides for civil forfeitures if confidentiality is broken. The Commission Intergovernmental Agreement also provides the following mandates:

- a. The person or his or her legal representative who filed the return.
- b. Officers, employees, or agents of the municipal treasurer and the Commission.
- c. Other persons for the use in the discharge of duties imposed by law, or in the discharge of the duties of their office (unless otherwise prohibited by law) or by order of a court.

All Room Tax returns, schedules, exhibits, writings or audit reports relating to such returns, on file with the Commission and the municipality are deemed confidential, except the Commission or municipality may divulge their contents to the following, and no others:
The Commission and its committees discuss individual lodging properties by name only in Closed Session. Lodging property individual collections and statistics are not included in the Door County Tourism Zone Commission reports.

HOW ARE NO-SHOWS & CANCELLATIONS TO BE HANDLED?

Forfeited Room Deposits: Amounts customers deposit to hold a room and which are forfeited to the hotel because the customer fails to arrive and use the room (“no shows”) are not subject to Wisconsin Sales Tax or Room Tax, if the room is available to be furnished to another guest. If the hotel keeps the room available for the guest who is charged the deposit, the deposit is taxable.

Cancellation Fees: Amounts charged to customers who cancel a room reservation are not subject to Wisconsin Sales Tax or Room Tax, if the room is available to be furnished to another guest. If the hotel keeps the room available for the customer who is charged the cancellation fee, the cancellation fee is taxable.

WHAT QUALIFIES AS AN EXEMPT SALE OR AN EXEMPTION?

In general, sales of lodging services are subject to Room Tax. An exemption applies however, for sales of lodging services to exempt entities that furnish appropriate documentation to the lodging provider. Please refer to the guidelines below when claiming exemptions. When filling out your monthly report you will be required to enter the CES# when claiming an exemption(s) or provide the dates of the one month or more rental.

Additional information about the sales tax treatment of lodging services is provided in Publication 219, Hotels, Motels and Other Lodging Providers

HOW ARE LODGING PACKAGES HANDLED?

The entire charge for furnishing lodging packages, which include lodging along with other taxable or nontaxable property or services, is subject to Wisconsin Sales Tax and Room Tax, assuming more than 10 percent of the purchase price and sales price of the package is related to taxable products (i.e., lodging service, prepared food, admissions, etc.).

Example — Lodging Packages: Hotel E offers a lodging package for \$170. The package includes two nights of lodging, two breakfast buffets, dinner, and the use of the health spa. The entire \$170 is subject to tax.

WHAT IS TAXABLE AND WHAT IS NOT?

- **Meeting rooms** used for amusement, entertainment, athletic or recreational purposes.
- **Deposits:** If a guest fails to show and the hotel keeps the room available for the guest who has been charged the deposit, the deposit is taxable.

- **Late Check Out Fees:** Amounts charged to customers for late check-out in connection with the furnishing of lodging are part of the sale of the lodging to the customer. If the lodging is subject to tax, the late check-out fee is also subject to tax.
- **Smoking fees:** A fee charged by the hotel for cleaning that is charged on all smoking rooms is considered part of the sales price from lodging is taxable.
- **Pet Fees:** Amounts charged to customers with pets are considered a part of the total sale of the lodging to the customer. If the lodging charge is subject to tax, the amount charged as a pet fee is also subject to tax.

- **Complimentary Rooms**
- **Meeting Rooms** used for meetings, conventions, conferences and seminars.
- **Forfeited room deposits** – Amounts customers deposit to hold a room and which are forfeited to the hotel because the customer fails to arrive and use the room are not subject to room tax, if the room is available to be furnished to another guest.

DO I HAVE TO COMPLETELY FILL OUT MY MONTHLY ROOM TAX REPORT FORM?

Under the provision of Sec. 66.0615, Stats. the local ordinances that enacted the Room Tax and established the Commission also provides for and requires a monthly room tax lodging report for each lodging provider. Specifically, the Ordinance provided the requirement of the following information:

- 1) Name of business
- 2) Lodging Address
- 3) Mailing Address
- 4) Name of person whom has completed the report
- 5) Signature of person whom has completed the report
- 6) Total Available Nights
- 7) Number of Nights Rented
- 8) Lodging Sales
- 9) Exempt Sales—if claiming exempt sales proper information must be included with report.

The Room Tax Ordinance provides that this information is necessary to allow the Commission to determine the accuracy of the Report. This information is also important to the Commission in regard to the Commission's reporting responsibilities to the municipalities and the Wisconsin Department of Revenue.

HOW TO FILL OUT THE MONTHLY ROOM TAX REPORTING FORM

1. The information in the left hand column should be routine, self-explanatory and unchanging from month to month. You can fill out the unchanging information and make copies to save time.
2. The information requested on the right side of the report is **necessary and required** for the Commission to measure the success of the Annual Marketing Plan. It will provide important data to determine if the room tax revenue invested in marketing is achieving the desired results.
3. Your actual room tax collections are used to compile the Commission's Monthly Room Tax Reports. Reporting is done by municipal total not by individual properties.
4. Please indicate any address changes for the property so our records remain current. Make additional copies as needed.
5. Any incomplete reporting will be returned to the permit holder to correct and resubmit.

Line by Line... the reporting side of the Month Room Tax Report

Note: You must file a report even if your property had no rentals for the months you indicated on your permit application that your property is available.

Line 1: Total Available Rental Units This Month

For example, you have 15 units and it is July, which has 31 days. 15x31= 465 unit nights

Two units underwent repairs for 3 days and were not available for rent (2x3=6 unit nights need to be deducted). You should deduct the unavailable for rent room days (465-6= 459)

Enter 459 on the on Line 1 "Total Available Rental Units this Month"

Line 2: Number of Rented Units this Month

Using the example above, if you rented your 15 units for a total of 5 nights each in the 31 days period (15x5 = 75)

Enter 75 on the Number of Units Days rented during the month of report line.

Line 3: Total Lodging Sales This Month

Actual gross receipts for all lodging, including lodging sold as part of a lodging package. This total should not include any sales or room tax.

Line 4: Total Exemptions and Exempt Sales

Please do not use this line to back out your sales tax; this line is for exempt stay totals. Exempt Stays are those that are thirty (30) days or more or those who provide CES # from an exempt entity. If you are claiming the exemption, documentation is required on the line below line 4 of either the CES# of the exempt entity that stayed with you or the stay is exempt due to a 30+ day stay—please document the dates of the stay.

Line 5: Net Taxable Sales

If you had exempt sales, you would subtract line 3 from line 4 to get the Line 5 total. If you had no exempt sales, the total would be the same as what you entered on line 3. Line 6: Total Tax at the Current 5.5% rate
Multiple line 5 times the tax rate of 5.5%

Line 7: Late filing fee if applicable

FILING ONLINE

Our online filing system offers the same report form that you would use if you filed by mail (if you need step by step instructions follow the mail-in step by step). We have contracted with Bay Lakes Information Systems to develop secure access with ACH capabilities that will allow you to log in to our website at any time to complete your Room Tax Report and pay the tax directly from your bank account.

You can review the history of your account "past history", update certain information, and file your room tax "online filing" by logging into your account.

Helpful Hints:

- Your user name and password will be sent to you with your permit packet.
- Be sure to select the correct month and year (the wrong year could apply late fees/penalties)
- If you are filing a \$0 report, under the payment drop down select "no amount due". You will still have to enter a payment date even though there is no payment. This becomes a posting date in the system.
- Be sure to hit Submit. Many times folks print the screen prior to hitting submit. Once you hit submit you will receive this confirmation screen.
- Not sure if you filed or if your filing went through? To avoid duplicate filings, log in and in your main profile landing page click "past filings". Check your past filings. You will get this confirmation screen at the completion of your online filing.
- If paying by ACH, be sure to enter the correct routing and bank account numbers. Failure to do so will result in your bank rejecting the payment.

WHAT ABOUT BARTERED ROOM STAYS?

Oftentimes, a business will trade its products for the services, realty, or intangibles of another business.

Sales, Room or use tax may apply to such trades.

Section 11.32(6), Wis. Adm. Code (May 2010 Register), provides that the sales price from a retail transaction includes the exchange of tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d), Stats., for taxable or nontaxable services, realty, or intangibles if the person providing the tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d), Stats., receives the sales price or purchase price valued in money, whether received in money or otherwise. If the products that a business provides are not subject to sales and use taxes (such as nontaxable services or realty), the business may deduct the sales price from the transaction on its sales and use tax return.

Example: A restaurant operator exchanges meals having retail price of \$100 for radio or television advertising which has an established price of \$100 for this type of advertising service. The restaurant operator and the radio or television station each have to report the sales price of \$100 as a result of the transaction. **Note:** The total sales reported on the sales and use tax return includes both taxable and nontaxable transactions. The radio station may, however, deduct the \$100 from its total sales reported on its sales and use tax return, since the advertising service that it is selling is not subject to Wisconsin sales or use tax. The restaurant operator's sales of the meals are taxable; therefore, no deduction may be taken on the restaurant operator's sales and use tax return.

For information about trading tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d), Stats., for other tangible personal property or items, property, or goods under s. 77.52 (1) (b), (c), or (d), Stats., see the tax release titled "Trade-ins," which was published in *Wisconsin Tax Bulletin* #124 (April 2001), beginning on page 30.
